## Smart Suggestor For Google Chrome Crack PC/Windows

Smart Suggestor quickly allows users to highlight text on webpages and instantly search Google, Yahoo! Answers, YouTube, Google Images, Wikipedia and other web sites for what they have written. Smart Suggestor doesn't require the use of a toolbar or menu as it provides instant access to web sites. For example, highlight text and you will be able to use the search box of Google, YouTube, Google Images, Yahoo Answers, Wikipedia and other sites. Highlight a page and you'll get a keyboard shortcut that allows you to search that page instantly. Smart Suggestor also allows you to view pages from other web sites by allowing you to quickly view web pages from the history section of your browser. You can also highlight text on a web page and get instant suggestions from Smart Suggestor. You can also highlight text on a webpage and you can use the search box of Google, YouTube, Google Images, Yahoo Answers,
