The film is a sequel to The Conjuring (2013) and follows the Warrens' fight to deal with a mysterious evil force that's been unleashed in their hometown of Farmington. The PlayStation Vita has been doing well in Japan, and is even in the top five home consoles, as reported by Famitsu. Sony hopes to show some impressive sales numbers for the device next month when they are made available in the US. The Vita has been available in the US for a few months now, but has yet to garner much interest, despite the addition of a few notable apps. There's also no word on release dates. Hopefully things will pick up towards the end of the year when the competition is much more stiff. This invention relates generally to a device for adjusting the effective steering angle of a front wheel of an automobile. More particularly, the present invention relates to an improved mechanism for adjusting the amount of steering angle of the wheel relative to the roadway. The device provides for increasing, decreasing or maintaining the
