

In theaters on December 25, Ian reprises his role as the legendary Wing. - - in the role of a new enemy-killer. - - in the role of the old.

And this is what is the most interesting moment. Yes, they both played roles, each with their own. But they did play. This is the most interesting moment, because in the end, unfortunately, I saw what I expected. And what I expected was not what I saw. The film, to put it mildly, is non-existent. That is, none, because I expected to get some effect from him, but I did not get it. I don't know if he got his box office, but to me, not
