Its amazing, was the game that jump started this whole genre, and now its the best in it game collection. If you are looking for a new Resident Evil game, you will love the Resident Evil 7 Biohazard. You can play it on PS4, XBox one, PC, iOS, and Android devices. Its fun, you cant go wrong. The game is based on Resident Evil 4, but has new things added to it. Including a story-based gameplay and the first Resident Evil game to have a third-person camera. The camera allows players to peer around corners, through windows, etc, so they can make sure the enemy isn't behind them. You can get out of tight spots much faster this way so they wont wait you out. The Beginning of the Resident Evil Revelations 2 Tale Sees a Fan Favorite Claire Redfield
